

ByoungHo of Seoul-Holoknight 2014

July 15, 2014 in Seattle/WA,

Sir ByoungHo Lee (ByoungHo of Seoul) became the newest holoknight 2014 in a special knighting service in Seattle, Washington on July 15, 2014. Jim of Arizona knighted and awarded him with the sword, the parchment and the title. The service was held in at a special dinner, which was attended by 17 well known colleagues and friends from the optics community. Three Holoknights were present to authenticate the knighthood, Jim of Arizona, Nadya of St. Petersburg, and Wolfgang of Berlin. Sir ByoungHo is a professor at the Seoul National University.
